Ordinary Time

The Easter season has now ended, and we are officially in Ordinary time. Last week, this week, and next week are 3 very important feasts in the year of the Church. Last week, we celebrated Pentecost, the outpouring of the Holy Spirit. The Spirit's presence within us causes us to be true Christians. Today, we celebrate the Most Holy Trinity: One God, but three Persons; Father, Son and Holy Spirit. Next week we celebrate Corpus Christi (The Most Holy Body and Blood of Christ). Jesus is truly present in the Eucharist! Each of these Solemnities remind us of God's presence in our lives and in the world.

Another successful Festival

Thanks to our parishioners and the local community, we had another successful festival. This year's net profit was \$42,287.34. Although I do appreciate the financial success and how much this helps the parish I appreciate, just as much, the camaraderie and joy it brings to the parish, village and town. Everyone seems to have a good time, and there have been no major problems or incidents. None!

Because of this, today and the next two weeks, I will continue to thank all those who participated in the success of this festival. We basically have 4 groups of parishioners who help at the festival: 1) The Core group, or Executive Committee 2) the extended Core Committee (parishioners who set up tents, signs and all set up and breakdown.) 3) The individual groups selling coffee, raffles, ride tickets, and the like, and 4) The Red Shirts. The Red Shirts are a huge part of our success, in which they play many roles. They do it well and with a smile on their face.

This week, I will acknowledge the Executive Board and the extended Core Group.

Executive Committee: Chair: Kevin Fitzpatrick. Committee: Maria Caridi, Mary Lennon, May Deegan, Bill O'Neill, Joe Walsh, Joe McCartan, Gerry Frudden, Bill Demsey, Tony and Maureen Jackson, Mark Farina, Howie Ammerman and Tommy Kane. Deacon Lachlan was also here for our opening meeting to pass on his knowledge and experience.

Extended Executive Committee - Jimmy Kane, Jack Conway, Hank McCabe, Rich McCabe, Paul and Michael Sokol, Michael Kane, Tom Smith, Peter Hart, John Crocker and Isabelle.

Save the dates for Festival 2020: May 28th- May 31st

Happy Father's Day!!!

This Father's Day, let us remember the foster father of Jesus, St. Joseph. St. Joseph can best be remembered for his strong faith in God, as he constantly acted according to what God asked of him. Whether you are a parent or not, ask St. Joseph to intercede for you as you journey as a Christian steward trying to follow God's way. Let us also pray for our fathers, living or deceased, as we celebrate fathers this month.

Today We Celebrate the Most Holy Trinity

June 16, 2019: The Most Holy Trinity- Gospel Meditation

If God is one, how can He be three? The most intelligent theologians have racked their brains over the problem, and the most prayerful ones have surrendered to the mystery. How it can be, we can't explain. But what it means, we can join! Our God is an ever-unfolding relationship.

Theologians speak of the immanent and economic Trinity. The Trinity is immanent in the sense that the Persons are close and entirely sufficient within Godself. In other words, God doesn't require us for God to exist. The word economic is rooted in the Greek word for management of a household or family. The Trinity is economic in the sense that God has invited us to be part of Him. He's growing the family! We see the dynamic here in today's Gospel.

Jesus says the Spirit "will take from what is mine and declare it to you" and that "everything that the Father has is mine." There is relationship here. Jesus speaks (and is) the word of the Father. The Holy Spirit speaks what He hears from the Son. The Father gives everything to the Son, and the Spirit speaks that inheritance over us. God invites us into the Trinitarian family!

The doctrine of the Trinity isn't something to brush off as overwhelming. After all, "the Spirit of truth... will guide you to all truth." This occurs most perfectly in the Church, who protects all that has been revealed by God in Scripture and gradually unpacked in tradition. We can trust the declarations of Her theologians and learn from the lives of Her saints. The Trinity may be a mystery, but, by the grace of God, we can have real truth about who God is and how we can love like Him.

Special Thank You!!!

Holy Spirit Catholic Church would like to thank the following families, groups, and individuals for their generous donations that helped make the Family Festival possible!

The Department of Health and Human Services (HHS) and the National Institutes of Health (NIH) announced this week that they will NOT be renewing a major contract with the University of California, San Francisco (UCSF) to fund research using the body parts of aborted babies.

Scientists at UCSF have been conducting experiments on the hearts, lungs, arms, legs and brains of unborn, aborted babies. And what's worse, they've been doing so on your dime. The publicly-funded NIH has been spending \$120 MILLION tax dollars each year on experiments involving body parts harvested from babies too young and vulnerable to speak for themselves.

Here's an important excerpt from a press release from Dr. David Prentice who serves as Vice President of Susan B. Anthony List's research arm the Charlotte Lozier Institute – he sums it up well: "Today's move demonstrates NIH's investment in scientifically-proven methods for research: adult stem cells, iPS cells, organoids, humanized mice constructed using postnatally sourced cells and improved non-human cell lines—just to name a few. All of these have been used in the production of treatments, vaccines and medicines currently on the market; the key is that our government will now invest in effective research methods that do not rely on the destruction of human life."

(PS Newsday reported on the fact that funding for this embryonic cell research was not renewed but failed to mention the other viable, ethical, proven effective methods which can be used and which have been used to create vaccines and other medical treatments).

Family Mass Band

As the summer months approach, the Family Mass Band will not be playing at the 9:30 a.m. Mass on the first and third Sundays of the month. This is not because we are “resting” for the summer, but because members will be vacationing throughout the summer months. Since we can’t ensure a full sound, we would rather preserve the sanctity of the Mass and not play, rather than play poorly. During the summer months, we will still be at Mass, and will join in and participate with the congregation.

With that being said, it would have been impossible to have had the band run for an entire year without the hard work and dedication from numerous teenagers from the Parish. A big thank you to: Allison Corcoran, Andrew Canese, Ciara Lennon, Gianna Cassata, Greg Marzano, Hailey Mikowski, Ian Alana, Jasmine Garnica, Pia Alana, Prescilla Ferri, Stan Young, and Victoria McGuigan.

A huge, tremendous, gargantuan **THANK YOU** to Allison Marzano. Allison is an incredibly smart and dedicated member of the band. Without her playing the piano, it would not have been possible for the band to continue. Despite taking many AP classes and participating in many sports and other extracurricular activities at school, Allison has still managed to find time for the Family Mass Band.

We look forward to new additions to the band as well! Hailey Booker, a current 6th grader, recently joined the band, and has played with us for one Mass.

If anyone will be in 7th grade in the fall of 2019 (or a Level 4 NYSSMA or above) and would like to join, please feel free to reach out to Fred Grimshaw at fgrimshaw98@gmail.com.

Thank you to everyone in the Parish for their continued support! We look forward to seeing you at Mass over the summer and leading the congregation in music come September.
